The purpose of Town Hall Meetings is to increase the understanding of underage drinking and its consequences, and to encourage students, parents and communities to address the problem.

- Alcohol is America's #1 drug choice and it continues to kill more young people than all other illicit drugs combined.
- More than 4,000 youth die each year from underage drinking related causes, including traffic fatalities, homicides, suicides, and other unintentional injuries.

**LCC students will receive extra credit for attending. Students who bring parents will receive additional extra credit.**
