***Insight..... Don't look them up!***

1. One morning while she was eating breakfast, Laura's diamond ring slipped off her finger and fell into a full cup of coffee, but the ring didn't get wet. Why not?
2. Sam's father is five years older than Sam's grandfather. How can this be?
3. What grows down while it grows up?
4. What is the only professional sport in which neither the players nor the spectators know the score until the match is over?
5. What ship has two mates but no captain?
6. What is it that turns everything around but does not move itself?
7. I know a man who can shave ten times a day and still have a full beard. Who is he?
8. Julia found something that had no bones and no legs. She put it on her window sill. A week later, it walked away. What did Julia find?
9. I can sizzle like bacon, I am made with an egg, I have plenty of backbone but lack a good leg. I peel layers like onions, but still remain whole; I can be long, like a flagpole, yet fit in a hole. What am I?
10. Hi there! Ma and Pa told me I'd better tell you that all the two-letter words in this paragraph have something in common -or else! What's the deal?
